

THE REGULATORY QUALIFICATION FRAMEWORK

REVISION COURSES 2010

These popular courses are an **essential** revision tool – so now that you know when the revision courses are, you can confidently plan your personal study, subject revision **and** your examination!

The **CIOBS** regulatory revision courses concentrate on the **key** aspects of the various syllabi and are the ideal preparation for examination candidates – they provide a superb opportunity both to consolidate knowledge and to clarify any outstanding learning points. A summary of the **main** content and details of each course is shown on **pages 2 & 3**.

Our Financial Services, Regulation & Ethics (**ApEx 1**) courses are run over **3 days** which allows more time to cover all the key elements of this broad-ranging subject.

Our Mortgage Advice (**ApEx 5**) courses last for **1½ days**, with the option for students to sit their **ApEx 5 / H2** examination on the afternoon of the second day.

Statistically, delegates who attend our revision courses perform better in the examinations than those who self-study, so why not take advantage of the knowledge and experience of the CIOBS Academy staff and let them help you revise and sit the exam **with confidence!**

The RQF timetable for **2010** is on **page 3**, so why not plan ahead and book your place on a course now!

Give yourself the best chance of passing the exams – book your place now!
