About the Chartered Banker Institute

The Chartered Banker Institute (“the Institute”) is the oldest professional banking institute in the world. The Institute was founded in 1875, operates globally, with over 35,000 members in over 100 different countries and nearly 1,000 financial institutions worldwide. The Institute has driven an agenda of ethical professionalism throughout its existence; promoting professional standards for bankers, providing professional qualifications for retail, commercial and private bankers, and offering professional membership to qualified individuals.
