

How to apply

Current customers

If you hold a current NUS Extra or TOTUM card there is no need to apply for TOTUM PRO until your current card expires. However, if you sign up on the TOTUM platform your card details will be pulled through from NUS so you can start accessing the discounts through TOTUM. Please note that you must use the same email address that you used to register for your current card.

New Customers or individuals with an expired NUS card

Step 1 Login to the members' area at <https://www.charteredbanker.com/login.html>. Go to 'My Member Area' and then 'Exclusive membership offers. Click the TOTUM widget to obtain your verification code. Copy this to your clipboard or write it down, although you should also receive a copy by email.

Step 2 Click on the link to apply or go to www.cards.totum.com/join. Please note that a photograph is required so you'll require either a digital photograph or a webcam

Step 3 On the screen below, enter your email address twice and click 'continue'. Please use the same address that is registered with the Institute. If you have more than one address registered e.g. home and work, use the address where you normally receive Institute emails.
