We are keen to hear from a wide range of candidates – both current members of the Institute and non-members who can:**

- Bring current knowledge and expertise in banking and financial services, including responsible banking and sustainable finance;
- Share their expertise in growing global businesses, ideally with knowledge of Africa, Asia, the Middle East, and/or the Americas;
- Bring expertise and experience in professional education and training;
- Help the Institute remain up-to-date in the use of technology to support its growing operations;
- Share expertise in leading and building high-performing teams; and
- Help us build our global network of the banking sector and regulatory contacts.

**We don't expect candidates to necessarily demonstrate all the above, and successful candidates will probably bring many additional qualities to our Board of Trustees too. We're keen to hear from you about how you think you can contribute.**
